

CAREER OPPORTUNITY

- Position: Kona Coffee Farm Manager.
- Location: Kona District, Big Island, Hawaii.

Background Information:

We are coffee farm that grows and mills premium coffee.

We are seeking a hands-on farm manager who can supervise all employees, full-time and/or seasonal, and all practices and procedures as directed while maintaining the highest standards of production.

This is a long-term position with immediate availability and potential for advancement.

Duties and Responsibilities:

While specific training will be provided, the following would be extremely beneficial to any candidate:

- Degree in agriculture or related field
- Practical, hands-on experience in farming
- Certification in farm management will be an added advantage
- Ability to provide comprehensive reporting to remote managers
- Ability to address environmental concerns and implement practices
- Act as liaison between management on behalf of payroll and other issues
- Monitor compliance issues and maintain accurate records
- Excellent interpersonal skills
- Proficiency in computer use
- Ability to maintain confidentiality
- A strict, moral character is absolutely paramount
- Spanish-speaking proficiency, both written and oral
